Thank you:

The Muskegon SERVE Team would like to thank Ferndale for all of your support leading up to the trip and for your thoughts and prayers as we were on the ground in Michigan. Muskegon is a city rife with violence, segregation and poverty, but it is also full of good people

who are eager to serve their community and love the people within it. We witnessed this first hand, working alongside the church and members of the community to bring about change in the city.

Our students participated in service projects all week-long including painting, yard work, kid's camps and food programs as well as worship and teaching in the evenings. All of this had a profound impact on our students and their relationship with God.

Each of our students and leaders have unique stories to tell so do not hesitate to ask them. If you would like to see photos and videos from the week you can do so by searching "Muskegon Serve 2019" on Facebook.

Thank you once again for your encouragement and support, and for allowing us to serve in Muskegon!
